

Safeguarding the Name Urantia
Revelatory Commission
August 1942

"You have not done enough to safeguard your name. (Meaning the name Urantia). Make it very safe for one generation so the name Urantia cannot be pre-empted.

"In a common-law trust you hold the name. You do it also in a corporation. A corporation has status in law. You also do it in the copyright. You must carefully register it with the division of government that I have looked into, that controls trade relations, Trademark, and then you are protected in common law connected with a volunteer association such as you are planning in the Urantia Brotherhood. In all those ways you must safeguard the name. THIS IS ONE OF YOUR MOST IMPORTANT DUTIES.

"In 50, 75, or 100 years the name will be fairly safe. You safeguard it for a generation and it will largely take care of itself."
