

## Fragments of a Revelator Communication

Revelatory Commission

January 14, 1946

“400 years ago an examination was made of the churches, and were found wanting.”

“After World War I an examination was made of the nations; and they were found wanting.”

“You cannot expect acceptance until 90% of the Brotherhood attains unity of purpose. (Nor peace until) 90% of the nations want peace. Most important: 1) Patience, 2) Unity.”

(On this date) [January 14, 1946] the Melchezideks declared war in Communism. "And now comes the third great threat to the religion of Jesus and the freedom of man . And for the third time the seraphic advocates of the past and of the future have been mandated to abandon their traditional perspectives while they have been bidden to stand shoulder to shoulder in defense of the present."

“We hope we can prevent global war. But most of all we crave to foster a spiritual awakening of your fellows mortals.”

“Whether it takes a decade or a century, we will prevail against the forces of retrogression and enslavement.”
