

## Post-Conference Event

### Visa-free Cruise to St. Petersburg 14 - 16 July

Visit the former capital of Russia, the city of Czars. St. Petersburg is one of the most breathtakingly beautiful places on earth and virtually any building in the large historic centre, threaded with canals dotted with baroque bridges, can be considered an attraction — and indeed, it is a UNESCO World Heritage site. This is a magical

city, with a long list of major attractions. Its Hermitage Museum, housed in the Winter Palace of the Romanov Dynasty, is both one of the world's greatest and oldest collections of art, treasure, and antiquities, and one of its most beautiful buildings.

The visa-free opportunity to visit Russia is available only from the harbors of the northern Baltic.
